

Albany Door Company, Inc.

Fiberglass Doors Fiberglass Sidelights Steel Doors Steel Sidelights Transoms

We feature steel and fiberglass doors from Masonite International, and fiberglass doors from MasterGrain. Albany Door Company offers 25 different paint colors, 12 stain colors, and the option to custom paint more than 200 door styles.

Optimum Security

All doors are made with a reinforced lockset area to provide a rigid, secure base. In addition to the reinforcement on the door slab, Albany Door also installs an 18 gauge steel plate on the strike area of all our wood frame units.

Fiberglass Door Construction

Steel Door Construction

Interlocking Steel Edge

Incorporates six 90° steel bends in each edge ensuring stability and strength.

Reinforced Lockset Area

Provides a rigid base for locksets.

Hinge Reinforcement

The 12-gauge plate riveted inside each door adds extra strength to the hinge area.

Energy Efficiency

Our steel and fiberglass doors provide the kind of energy efficiency that can really contribute to lower home heating and cooling costs. With an average U Value below .30, we design our door units to be as energy efficient as possible.

Albany Door's Weather Fighting Frame System

CONTINUOUS FRAME HEAD
Using a continuous head, sill assembly maximizes the stability of any sidelight unit.*

Strike Reinforcement

An 18 Gauge Steel Plate is attached to the back side of every wood frame for enhanced security

FRAMESAVER® JAMBS & MOULDINGS

The bottom 5 inches of all our exterior frames and mouldings are made with a wood composite guaranteed not to wick water

CONTINUOUS FRAME SILL

The continuous sill system virtually eliminates racking and bending because it is one solid unit. Mill finish shown is standard Brass and Bronze are available.*

COMPOSITE ADJUSTABLE RISER

Our composite riser is wear resistant, not subject to the effects of water or the transmission of hot and cold while still adjustable to maintain an optimal weather seal.

TRIPLE BOTTOM SEAL

The door seal on all our door bottoms is a bulb, fin, bulb configuration assuring a triple seal against wind and rain.

*In some instances your contractor may deem a box built unit is more appropriate for your particular installation. No matter how thick your walls, all our new construction frames are designed to be storm door ready.

Albany Door Company, Inc.

PRE-FINISHED ENTRY DOOR SYSTEM LIMITED WARRANTY

Albany Door Company, Inc., warrants to the original purchaser, that the door system will be free of defects in materials and workmanship under normal use. This warranty covers materials only.

Belleville® Fiberglass Entry Doors: LIMITED LIFETIME WARRANTY, the door panels are warranted not to shrink, warp, split, crack or delaminate for the lifetime of the door.

Oakcraft® Wood-Grain Textured Fiberglass Entry Doors: LIMITED 25 YEAR WARRANTY, the door panels are warranted not to shrink, warp, split, crack or delaminate for twenty-five (25) years.

Steel Entry Doors: LIMITED 15 YEAR WARRANTY, the door panels are warranted not to shrink, warp, split, crack or delaminate for fifteen (15) years.

Door glass and door glass frames: LIMITED 10 YEAR WARRANTY, glass units, internal blind units, internal muntin units, and glass frames are warranted against seal failure and defects in material and workmanship for a period of ten (10) years from date of installation. This includes doors that are installed with a storm door.

Factory Paint and Stain finishes: LIMITED 5 YEAR WARRANTY, paint and stain finishes on the door unit and glass frame are warranted against flaking, checking, blistering or peeling for a period of five (5) years. After three years the clear coat on stained surfaces may start to discolor, it is the owner's responsibility to apply a fresh coat of exterior polyurethane in accordance with the manufacturer's instructions. If the factory finish is visibly scratched, scuffed or otherwise damaged, it is the owner's responsibility to repair immediately. Failure to maintain this coating will void this warranty.

FrameSaver® wood frames and components: LIMITED LIFETIME WARRANTY, door frames will not rot, decay or suffer fungal damage resulting from water absorption through the bottom of the frame. The "Z-Series Composite Threshold" supplied with wood frames also carries a LIMITED LIFETIME WARRANTY. Oak adjustable thresholds are warranted for five (5) years.

Steel L-frame, stops and oak adjustable threshold: LIMITED 5 YEAR WARRANTY, replacement frame components are warranted against defects in material and workmanship for five (5) years.

Hardware: LIMITED 5 YEAR WARRANTY, hinges, kick plates, magazine slots, door knockers, peepsites, door closers, are warranted against mechanical defects and tarnishing for a period of five (5) years except hinges with exterior exposure unless those hinges are stainless steel (320).

Kwikset® locks: LIMITED LIFETIME MECHANICAL, LIMITED LIFETIME FINISH, LIMITED 10 YEAR FINISH, L03 finishes are finish warranted against tarnishing for the lifetime of the lock, Chelsea®, Commonwealth®, Hancock® and 780/785 deadbolts with finishes other than L03 are finish warranted against tarnishing for ten (10) years; Gibson®, Lido®, Tustin®, Delta® and 660/665 deadbolts with finishes other than L03 are finish warranted against tarnishing for five (5) years. Performance on Kwikset's warranty is through their customer service at 1-800-327-LOCK (5625).

Schlage® locks: LIMITED LIFETIME MECHANICAL, LIMITED LIFETIME FINISH, finishes are warranted against tarnishing for the lifetime of the door except for the Oil Rubbed Bronze finish (613) which is designed to improve over time and change in appearance, creating a living finish through daily use and, thus, finish discoloration is not applicable to the warranty. Performance on Schlage's warranty is through their customer service at 1-888-805-9837.

Weatherstripping, door bottom sweeps and corner seals: LIMITED 5 YEAR WARRANTY, weather seals are warranted against defects in material and workmanship for a period of five (5) years.

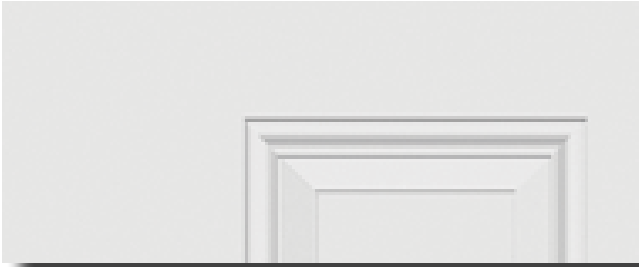

The warranty excludes failures which are the result of: (1) Accidents, fires, acids, fumes, chemicals; (2) Improper use; (3) Improper installation; (4) Abuse; (5) Vandalism; (6) Acts of God.

NOTHING IN THIS WARRANTY SHALL RENDER ALBANY DOOR COMPANY, INC. IN ANY RESPECT LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING ANY DAMAGE TO BUILDINGS OR OTHER PROPERTY, OR FOR ANY INJURIES OR DAMAGE SUSTAINED BY ANY PERSONS WHOMSOEVER. (SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.)

To obtain performance of the warranty notify your contractor or dealer, in writing, of the problem incurred. Have them forward a copy of your notification along with our original invoice number and invoice date to the below address. Within 45 days of receipt of this notice an Albany Door Company, Inc. representative will arrange for inspection. If it is deemed to be a manufacturing defect, Albany Door Company, Inc. will arrange to supply replacement product or part to your contractor or dealer. Albany Door Company, Inc. reserves the right to make changes in any of its products or offerings. If the products covered by this warranty are not available, Albany Door Company, Inc. shall have the right to substitute a product that is of equal or better quality. The purchaser must pay for any and all labor necessary to install the product or replacement part and for the transportation from their contractor or dealer to his or her residence.

Albany Door Company, Inc., 5846 West 66th Street, Bedford Park, IL 60638

BELLEVILLE™

Fiberglass Entry Doors

Introducing the

Belleville™ Fiberglass Door Collection,

shaping grand entryways with great looks and maximum design flexibility

HIGH-PERFORMANCE FIBERGLASS FACING

Smooth Belleville facing provides an extra smooth surface for painting that will not dent and resists splitting, cracking and warping.

HIGH-DEFINITION PANEL

New high-definition panel profile provides Smooth Belleville with excellent shadow lines and distinct panel designs.

STILE AND RAIL

Smooth Belleville replicates the appearance of a wood door with stile and rail detail.

POLYURETHANE CORE

Rigid polyurethane foam, meeting strict environmental guidelines, provides maximum thermal protection and dimensional stability.

TRUE SQUARE-EDGE DESIGN

The square-edge design of Smooth Belleville offers an attractive wood door appearance.

HIGH-PERFORMANCE FIBERGLASS & HARDWOOD DOOR BEAUTY

Specially engineered fiberglass door facings provide maximum protection and durability. The surface of the Textured Belleville door produces an authentic wood door appearance by utilizing Masonite's new, variable depth, wood-grain texture that finishes beautifully.

HIGH-DEFINITION PANEL

New high-definition panel profile provides Textured Belleville with excellent shadow lines and distinct panel designs.

STILE AND RAIL

Textured Belleville replicates the appearance of a wood door with stile and rail detail.

POLYURETHANE CORE

Rigid polyurethane foam, meeting strict environmental guidelines, provides maximum thermal protection and dimensional stability.

TRUE SQUARE-EDGE DESIGN

The square-edge design of Textured Belleville offers an attractive wood door appearance.

NICKEL VAPOR DEPOSITION PROCESS

NVD Technology is a patented process that authentically replicates any natural surface. The door process begins by hand selecting the most desirable wood pieces to build a real wood door. A silicone casting accurately picks up the finest details of the wood grain and is transferred into a door mold using our Nickel Vapor Deposition Technology. The mold produces fiberglass skins used on MasterGrain doors with random grain depths and all the natural characteristics of real wood making our doors virtually indistinguishable to real wood doors. Master Grain door codes are MGC, MGF, and MGA.

Premium Fiberglass Entry Doors, and Door Components.

MasterGrain Products are a premium line of fiberglass door system components featuring the most authentic wood grain replication in the door industry. Combine the beauty and their high quality construction to any fiberglass doors and you will see "The Difference is in the Details".

Through creativity, innovation and leading edge technology, they will continue to develop the finest door system components you can purchase to protect and enhance your home.

Your next choice - our vast selection of glass designs. Opt for clear glass to let in light, textured glass for privacy, or a design with a touch of color. From the transparent to the obscure, we offer a stunning combination that's perfect for your home.

Custom Glass

Albany Door Company has options when selecting an existing doorglass design, whether you'd like to modify the finish, glass colors, or opacity level; select the size; or add new design features into an existing pattern. We can also help when you have a great idea for your own unique design.

Customized RLI Glass

Privacy Rating

Each doorglass design is assigned a privacy rating to help you choose the level of openness or obscurity that's right for you.

Caming

Caming is what holds the glass together. Different caming metals let you coordinate with exterior fixtures, hardware, or interior motifs.

Low-E

Available as a clear doorglass option, Low-E glass is made with an invisible thin metallic coating that blocks heat flow. A proven energy saver, Low-E glass reduces air conditioning costs by reducing solar transmissions in the summer. In winter, it reduces heat loss to the outside and allows solar energy to pass inside.

ODL glass can be used in doors to meet Energy Star criteria.

- Allows solar energy in
- Reduces as much as 71% of heat loss
- Reduces drafts and cold spots

- Reduces direct sun rays
- Reduces cooling loss
- Blocks re-radiated solar heat
- Filters UV rays (reduces fabric fading)

Satin Nickel

Micro -Cubed Glass
Nickel Vein Wrought Iron

Privacy Rating 9

Renowned Craftsman architect Frank Lloyd Wright advocated that architecture should become one with its surrounding landscape. The Craftsman-inspired design of Madison's geometric pattern and its nickel vein wrought iron finish will fit the 'landscape' of your home and complement the special touches you've given it. Madison provides a high privacy level.

Low-E glass is made with an invisible thin metallic coating that blocks heat flow. A proven energy saver, Low-E glass reduces air conditioning costs by reducing solar transmissions in the summer. In winter, it reduces heat loss to the outside and allows solar energy to pass inside.

*Textured
Rain Glass
RGL*

All that's missing is the patter of raindrops. Rain features a vertical pattern and textured surface that create the illusion of rain trickling down a window. It offers a high level of privacy.

*Textured
Micro-Granite
MG*

Just as its name implies, Micro-Granite blends texture and pattern to create a surface reminiscent of small textured polished pebbles. It provides a high level of privacy.

*Blanca
BLC*

Offering a high level of privacy and an understated backdrop, Blanca has a frosted, slightly stippled surface.

*Textured
Linen
LNN*

Whether reminiscent of a soft linen shirt or an elegantly embroidered linen tablecloth, Linen's lightly etched glass and woven pattern complement casual or formal entryway designs. The translucent white glass and soft moiré of Linen's threads give it a high privacy level.
